HOW TO REVIEW

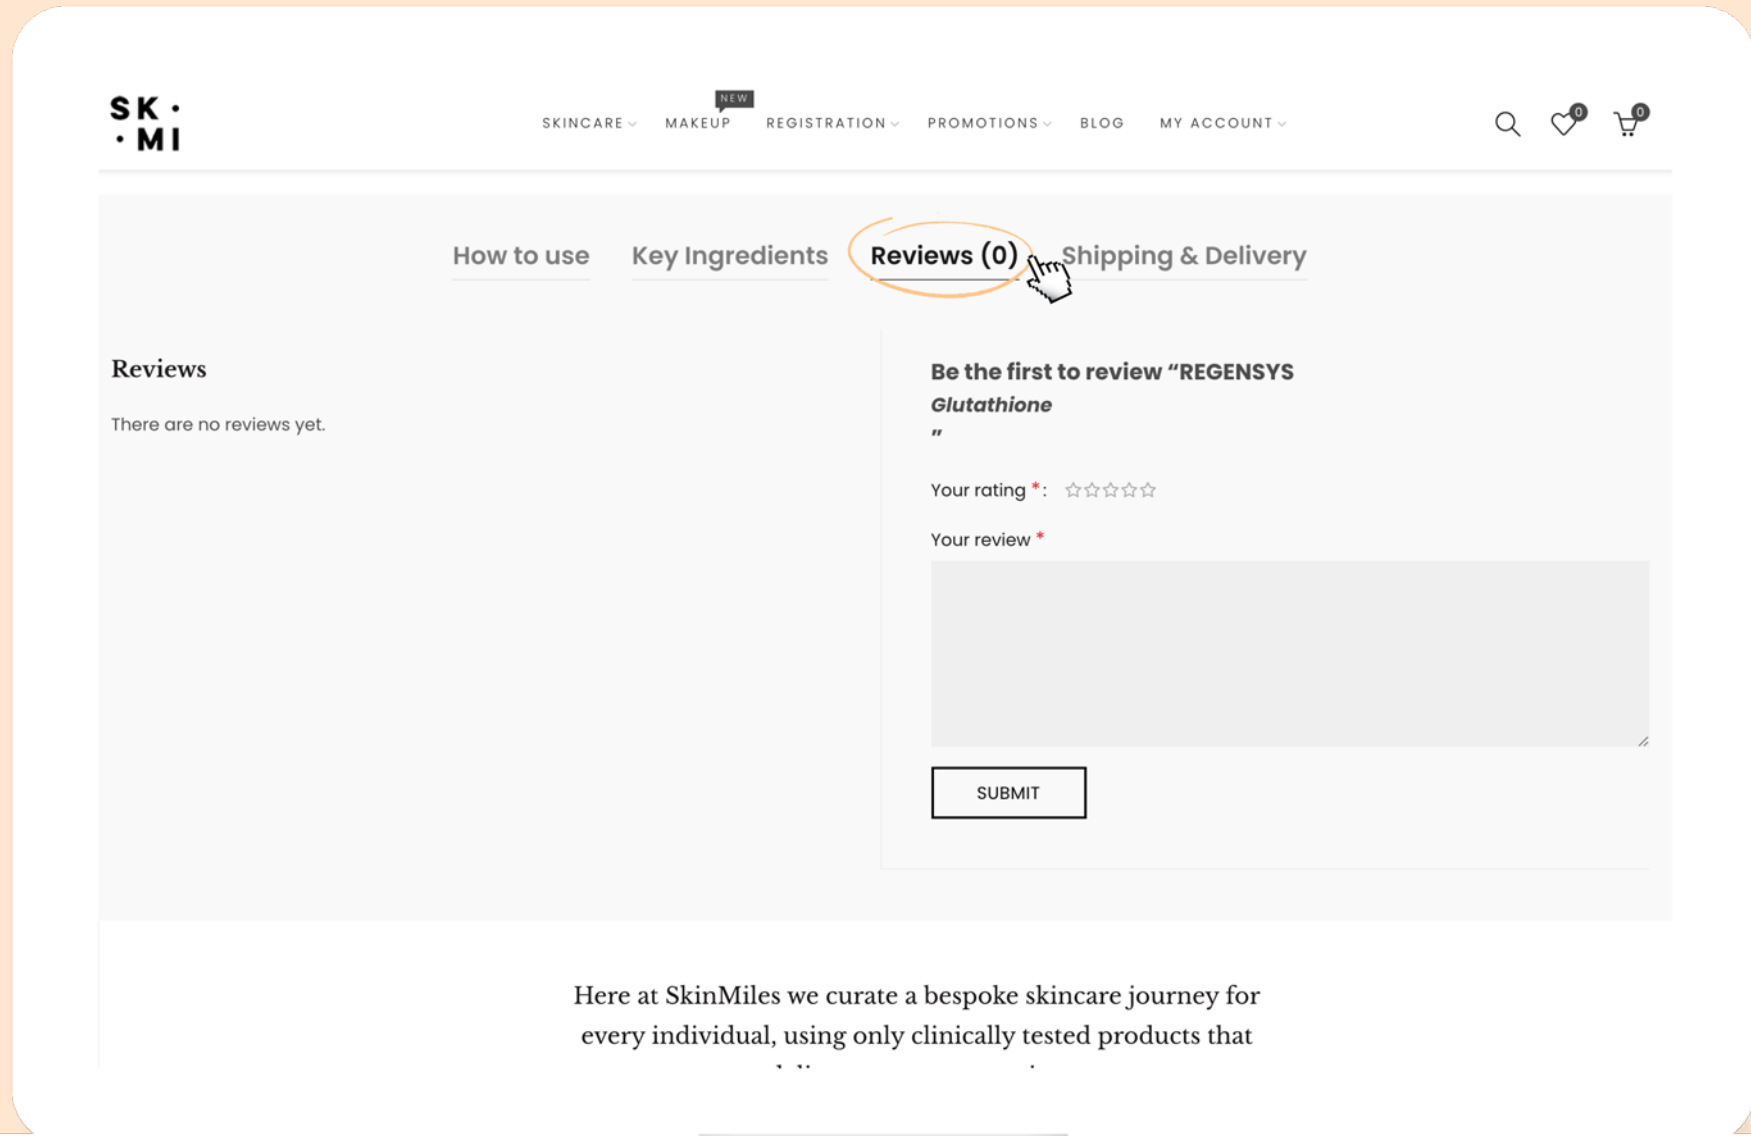

STEP 1

Make sure you are **logged into** you SkinMiles account once you have registered.

STEP 2

Navigate to your **favorite product** which you would like to **leave a review** on.
Scroll down to the **review tab section** and click to open.

STEP 3

Give your **star rating** and type out your review. Once you are happy with your review, **press submit**. You have now completed your product review. Please note that your review will not appear immediately on the product page after submitting. All reviews need to be manually approved by admin before they appear on the product page.
